

Car Engine Sound

American Classic V8

By: Yugel Mobile

Thank you for purchasing Car Engine Sound – American Classic V8.

This package is a part from „Realistic Engine Sounds - Plus” Unity Asset.

Package includes:

- * Acceleration and deceleration wav files for exterior and interior camera views
- * 16 wav files (8 for interior and 8 for exterior camera views)
- * 6 demo sounds
- * Prefabs for „Realistic Engine Sounds” Unity Asset Package

There are total 22 Wav audio files in this package.

License

You can use this asset for unlimited games.

One license per seat for personal and commercial use.

You can't resell or redistribute the package or any single file from the package on any store!

Credits

All of the sound files are recorded, created and mastered by me.

I would like to say a *Thank You* for the vehicle owners who allowed me to record their car's and bike's engine sound in car and bike meetings and other public events. Some sound files are recorded from *dyno* videos found around the web.
